

411US.info adds Local Weather, Top National and Political News, and Shopping Links for Ohio Cities

411US.info announces the addition of links for Local Weather, Top National and Top Political News, and Shopping Links for residents of Ohio cities.

Ohio citizens can use the websites for home, family, business and travel use to find information on demand including...

- News, Weather, and Sports – Both local and national (including 2012 election news).
- Local Information - Lists the websites of local newspapers and TV stations. Displays maps, TV listings, and some government sites.
- Travel - Provides access to travel sites; to compare prices; to book a trip; and to local information on destinations. When traveling, a user can keep up with news and events in both destination and hometown.
- Reference – Allows quick lookup links for dictionary, encyclopedia and Internet search sites.
- Reviews - Allows shoppers to find reviews and user ratings ... to find the good and bad before buying. To find the BEST PRODUCT.
- Shopping – Selecting “Buy/Sell” - allows a shopper to then click to one of several sites to find and buy the best product at the BEST PRICE. (Or to sell items.)
- Community - Provides quick, one-click (or touch) access to social media sites.

The websites of the localities in Ohio provide information for Internet users from beginners to executives to power users to travelers (and road warriors) to sports enthusiasts to students and teachers and moms.

- Beginners, who may have little Internet experience, will welcome the categorized, well-organized menu. It creates a user-friendly, guided Internet experience for getting information.
- Executives and power users can utilize 411US.info to quickly look up information every day, hour, and minute. The site provides these users with a powerful tool to efficiently retrieve information. For these power users, 411US.info serves as a sophisticated, always-on-top bookmark system, allowing rapid movement from one website to another.
- For travelers and road warriors, 411US.info provides quick access to travel sites. These users can also look up local information at their destination location, including news, weather, and events. When away from home, travelers can change the zip code to their home zip code to keep up with what's happening in their hometowns.
- 411US.info is a great reference tool to quickly look up the definitions, articles, and how-to's whether at home, at work or while traveling.

Jerry Guzi, founder of 411US.info, said, "I created the site to provide a clear, clean, and organized way to retrieve information, on demand. I wanted to provide an information menu that works for everyone to find what we want, when we want it."

In addition, 411US.info and the associated linked sites can be translated (with the help of Google Translate!) into French, Italian, German, Spanish, or Japanese.

Anyone can use 411US.info's local Ohio websites to have the best information available on the web at their fingertips in a neatly organized and easy-to-use way.
