

411US.info adds Local Weather, Top National and Political News, Weather and Sports Links for Pennsylvania Cities

411US.info announces the addition of links for Local Weather, Top National and Political News, Weather and Sports Links for residents of Pennsylvania cities.

Pennsylvania citizens can use the websites for home, family, business and travel use to find information on demand including...

- News, Weather, and Sports – Both local and national (including 2012 election news).
- Local Information - Lists the websites of local newspapers and TV stations. Displays maps, TV listings, and some government sites.
- Travel - Provides access to travel sites; to compare prices; to book trips; and to local information on destinations. Travels can keep up with news and events in both destination and hometown.
- Reference – Allows quick lookup links for dictionary, encyclopedia and Internet search sites.
- Reviews - Allows users to research Health and Food and Financial information and calculators.
- Shopping - Selecting “Reviews” allows a shopper to find the best product, then “Buy/Sell” to find and buy the best product at the BEST PRICE. (Or to sell items.)
- Community - Provides quick, one-click (or touch) access to social media sites like Facebook, Pinterest and Twitter.

(Residents in larger cities can access the site via their domain name - for example, www.411Pittsburgh.info; residents of smaller Pennsylvania localities can go to 411US.info, and enter their zip code in the box in the upper right of the page, to access their local information.)

The websites of the localities in Pennsylvania provide information for Internet users from beginners to executives to power users to travelers (and road warriors) to sports enthusiasts to students and teachers and moms.

- Beginners, who may have little Internet experience, will welcome the categorized, well-organized menu. It creates a user-friendly, guided Internet experience for getting information.
- Executives and power users can utilize 411US.info to quickly look up information every day, hour, and minute. The site provides these users with a powerful tool of technology to efficiently retrieve information. For these power users, 411US.info serves as a sophisticated, always-on-top bookmark system, allowing rapid movement from one website to another.
- For travelers and road warriors, 411US.info provides quick access to travel sites. These users can also look up local information at their destination location, including news, weather, and events. When away from home, travelers can change the zip code to their home zip code to keep up with what's happening in their hometowns.
- 411US.info is a great reference tool to quickly research definitions, articles, and how-to's whether at home, at work or while traveling.

Jerry Guzi, founder of 411US.info, said, "I created the site to provide a clear, clean, and organized way to retrieve information, on demand. I wanted to provide an information menu that works for everyone to find what we want, when we want it."

“You really need to check out the site my friend Jerry Guzi has created over the past several years. It is truly a one-stop resource for finding any information you could possibly need....news, sports, weather, shopping, researching. You won't believe it. There are links to everything you can imagine. And simple.

The site is 411US.info. Put it on your favorites bar; you'll use it every day!”
